1. Deposit escrow checks/money within 24 hours of receiving it, no exceptions or excuses.
2. Highlight Realty has an escrow account for deposits. Keep deposits up to 2% of the sale price. Deposit escrow with the other company or title company whenever possible.
3. You may not use any photos you did not personally take. If using a photographer, you must have a receipt or written authorization from the photographer to use photos. You will be personally liable for any damages or lawsuits if you do not follow this rule.
4. Never advise your client to not do an inspection. If your client asks you if they should get an inspection, your ONLY legal answer should be that an inspection is always recommended for any purchase.

7. It is highly recommended that you obtain a personal errors and omissions policy, especially if you own multiple properties.
8. We ask that you only use FAR-BAR approved forms. All approved forms can be found in your Highlight Login Portal under Forms. If you need a different form, please contact broker for approval first.
